Document Management Information

This Data Protection Notice (“Notice”) sets out the basis which the SBU – Writer Relocations of Writer Business Services Pvt. Ltd. (“we”, “us”, or “our”) may collect, use, disclose or otherwise process personal data of our customers in accordance with the General Data Protection Regulation (GDPR) for our customers from the European Union. This Notice applies to personal data in our possession or under our control, including personal data in the possession of organisations which we have engaged to collect, use, disclose or process personal data for our purposes.

PERSONAL DATA

As used in this Notice:

“Shipper/Assignee/Transferee” means an individual who (a) has contacted us through any means to find out more about any of our services related to relocation, or (b) may, or has, entered into a contract with us for availing relocation services provided by us; and “personal data” means data, whether true or not, about a shipper who can be identified:

(a) from that data; or (b) from that data and other information to which we have or are likely to have access.

Contact through any means would imply if Shipper has directly contacted us or their personal data is provided by their employer for relocating.

Based on Shipper’s interaction with us, personal data of the individuals and/or family which we may collect from you include your name, identification information such as your contact information, copy of passport, residential address, destination address, your email address, nationality,. (**Annexure – 3**)

We may update this privacy policy by posting a new online version.

At any time, you may unsubscribe from Writer Relocations marketing communications by clicking the Unsubscribe link at the bottom of the email field.

7. How long do we keep personal information for?

Writer Relocations will hold your personal information on the systems for the period of 7 years to fulfil the purpose outlined in the Policy, or until you request that the information be deleted in accordance with your right to erasure subject to compliance with local laws of the land.

8. How can you access, amend or take back the personal data that you've given to us?

You retain various rights in respect of your data, even once you have given it to us. These are described in more detail below.

- Writer Relocations. provides data subjects with an option to withdraw consent.
- Writer Relocations provides data subjects with an option to erase their personal information
- Writer Relocations provides data subjects with an option to restrict the processing of their personal information. This means that Writer Relocations can only continue to store data subject's data and will not be able to carry out any further processing activities with it until either
 - Data subject provides consent
 - Exercise or defence of legal claims or for the protection of the rights of another natural or legal person or for reasons of important public interest of the Union or of a Member State
- Writer Relocations provides data subjects an option for porting their personal data. To allow data subjects to do so, Writer Relocations will provide data subjects with their personal information in a commonly used machine-readable format that is password-protected so that you can transfer the data to another online platform.
- Writer Relocations provides data subjects an option to lodge a complaint with their local supervisory authority.

9. Cross Border Data Transfer

Any data transfers to the third countries will be made only after taking the explicit consent of the data subject or if the employer of the data subject has provided consent. Writer Relocations might not take consent from the data subjects if feels that such transfers are essential to protect the vital interests of the data subject or it must be made available to the legal or regulatory body. However, data subjects will be informed in case of such transfers.

10. Security of Personal Information

Writer Relocations is committed to protecting your personal information. We use a variety of security technologies to help guard against unauthorized access, use, or disclosure.

For example, we store the information you provide on computer systems in controlled facilities with strictly limited access. When we transmit highly confidential information (such as a credit card number) over the Internet, we protect it through 128-bit encryption.
